Rectory Foundation Repair

The Rectory Foundation Repair project began on Friday, March 7th. The project involves 2 phases which should be completed March 21st.

Phase 1 involves drilling along the perimeter of the rectory and installing "Push Piers" to stabilize the foundation from further settling.

Phase 2 involves addressing humidity and water issues in the crawl space and ground under the structure by encapsulating the area and providing dehumidifying and condensate pumping equipment. This will improve the environment in the rectory and reduce heating and cooling costs. Water under the rectory has also contributed to the foundation failure which will be remedied by the project. This picture is one of the Large exterior cracks.

If you wish to donate and help with the cost, please put in the offering basket and label "Foundation Project".

Rain Date: May 3rd, 2025

Thank you for all the generosity in supporting the 2025 Crosslines "Souper Bowl" Campaign. Sacred Heart donated 176 pounds of canned soup to the cause. Drive coordinator Jim Smith presented the donation to crosslines food pantry representatives Holly and Beth.

This year Father Allen asks that instead of Rice Bowl, we make our lenten offering for the Sacred Heart Food Pantry. Boxes will be available next weekend. Please return boxes by April 27.
