SACRED HEART NEWS

Easter is a season of hope, joy, and gratitude. I am so grateful for your faith and your participation during our Holy Week. We got stronger in faith, unity, and worship. I am so grateful for your prayers and support and for allowing the Risen Lord to touch your life and your faith.

I am so grateful for the gift of our community and how we embrace big and small projects that help us to bring the community together and show signs that we are "resurrected" in so many ways. We are doing great things this Easter as a community of faith.

Each community did something unique and special. At Webb City, we reached out to families who are struggling, and we delivered a few Easter baskets with food and a delicious ham. I remember how happy they were receiving their baskets and they asked me to tell you THANK YOU for remembering them. I got a call from a grateful man who touched my life. He was so grateful for every item in his basket that helped him so much during this tough time in his life. A woman sent me a touching text telling me how much they appreciate every single can of food. Thank you all for feeling hungry...I WAS HUNGRY AND YOU FED ME. I am so grateful for your generosity.

In Carthage, the Risen Lord brought us together also for a purpose. I am so grateful for the CHURCH AND SCHOOL AUCTION in Carthage that brought us together. I am so grateful for those who prepared it and those who sacrifice time, talent, and treasure for all of us. It was a great event, and every detail was so crafted. I enjoyed every minute of it and seeing all those who attended like at a BIG FAMILY EVENT.

We shared our time, our laughter, our presence, and a delicious meal. We shared experiences and joyful moments.

I believe we sent a strong message to the entire community and mainly we gave testimony of unity, work, faith, and sharing our goals and mission. I am so proud and grateful for the things we achieved working together and it gives me a lot of hope for the present and the future.

I am a strong believer of the power of the Risen Lord in our lives and community. Jesus came to deliver us from our sinful condition and to challenge us to be better in every way possible. The Early Church gave us a great example of faith, worship, and charity. The Risen Lord and the power of the Holy Spirit helped them to overcome their fears and differences. They remained focus on Jesus and worked together for the good of all.

I am sure we will face some trials and challenges but these experiences at Webb City and Carthage gave me a strong sense of hope and a great sense that we are moving FORWARD to building a great sense of UNITY among the rich diversity we have in our parishes.

Finally, a non-Catholic couple reached out to me and told me: YOU GUYS DID AWESOME AT THE AUCTION. IT WAS INSPIRING. I found their words so powerful and encouraging. Thank you so much to all of you...I am so grateful for each one of you and for every single work of mercy we embraced. That is what the Gospel is about and what Easter is about...a new self and a new community. The Community of the Risen Jesus Christ. Amen.

Blessings to you and your family, Father Paco
